the recognized superiority of these famous
instruments."—Advertisement.One Woman Takes Four
Boys to the Reformatory;
She Puts Them on HonorMrs. Emma Webster, county proba-
tion officer, has returned from Gates-
ville, Texas, where she turned over
four delinquent boys to the state reformatory.
Mrs. Webster accomplished what was
declared to be impossible. She was ad-
vised to keep the boys in handcuffs, as
one or two of the boys were reputed to be
incorrigible. She left the station with
the boys in handcuffs, but released
them after placing them on their honor.
Throughout the trip she entertained
them with games and, upon leaving
them at the reformatory, had their
promise that they would be good and
had promised them to do all she could
for them in securing an early release.
The boys taken to the reformatory
are Jesse V. V. and "I", charged
with murder; Manuel Herrera, aged 17,
charged with theft; and Clarence Brown,
aged 16, charged with theft; and Alfred
Schreier, aged 14, who ran away from
home.TENNIS PLAYER TO

the opening of the fall term.Help the Stomach
Digest Your FoodWhen the stomach fails to digest
and distribute that which is eaten,
the bowels become clogged with a
mass of waste and refuse that fer-
ments and generates poisons that
are gradually forced into the blood,
causing distress and often serious
illness.Most people naturally object to
the drastic cathartic and purgative
agents that shock the system. A
mild, gentle laxative, positive in its
effect and that will quickly relieve
constipation is Dr. Caldwell's Syrup
Pepsin, sold by all druggists at fifty
cents and one dollar a bottle. It
does not gripe or cramp, but acts
easily and pleasantly and is there-
fore the most satisfactory remedy
for children, women and elderly
persons. For a free trial bottle

PLENTY OF PROOF

From People You Know—From El Paso
Citizens.The greatest skeptic can hardly fail
to be convinced by evidence like this.
It is impossible to produce better proof
of merit than the testimony of resi-
dents of El Paso, of people who can
be seen at any time. Read the follow-
ing carefully.Mrs. R. S. Richards, 500 N. Stanton
St., El Paso, says: "One of the family
suffered from rheumatic pains in the
limbs and joints. Dr. A. K. Kidney Pills
brought relief. We have used them on
many occasions and they have removed
all trouble from the kidneys."

Advertisement.A Remedy
For All Pain"The efficiency of any drug," says Dr. C. P.
Robbins, "is known to us by the results we
obtain from its use. If we are able to con-
trol pain and disease by means of any pre-
paration, we certainly are warranted in its
use. One of the principal symptoms of all
diseases is pain, and this is what the patient
most often applies to us for, i. e. something
to relieve his pain. If we can arrest this
promptly, the patient is most likely to trust
in us for the other remedies which will effect
a permanent cure. One remedy which I
have used largely in my practice is Anti-
kama Tablets. Many and varied are their
uses. I have put them to the test on many
occasions, and have never been disap-
pointed. I found them especially valuable for
headaches of malarial origin, where quinine
was indicated. They appear to prevent
the bad after-effects of the quinine. Anti-
kama Tablets are also excellent for the
headaches from trapper digestion; also
for headaches of a neuritic origin, and es-
pecially for women subject to menstrual
troubles. Two Anti-kama Tablets give
prompt relief, and in a short time the patient
is able to go about as usual." These tablets
may be obtained at all druggists. Ask for
A-K Tablets. They are also encased for
headaches, neuralgia and all pains.

KILL COCKROACHES!

Easy Matter to Exterminate These
Filthy Pests.
Even a few cockroaches can think
of the germs the cockroach must bring
as it scurries around the kitchen and
entry, contaminating and spoiling
food. Now is the time to kill off the
cockroaches and free your home from
the repulsive insects. A dozen cock-
roaches killed now is better than kill-
ing hundreds later.A two-ounce box of Stearns Electric
Kills you can get for twenty-
five cents from any druggist. Will rid
your home of cockroaches or water
bugs. It is much better than powders,
as it can not blow away and get into
the food. Easy to use and an abso-
lute exterminator. Directions in five
languages in every package.—Adv.

DR. OSLER ON TUBERCULOSIS

Dr. William Osler, one of the foremost of
living medical men, formerly of Johns Hop-
kins, Baltimore, and now Regius Professor
of Medicine at Oxford, says in his "Prac-
tice of Medicine" (1892), on page 249:"The healing of pulmonary tuberculosis
is shown clinically by the recovery of pa-
tients in whose spots elastic tissue and
bacilli have been found. * * * In the
granular and productive and associated pneu-
monia a scar tissue is formed, while the
smaller scar tissue becomes impregnated with
calcium salts. To reach these conditions alone
should the term healing be applied."Many eminent medical authorities have
testified to the efficacy of the use of the
treatment of tuberculosis, and the success
of Eckman's Alternative in this and allied
throat and bronchial affections may be due
partly to the fact that it contains a lime
salt as combined with other valuable ingre-
dients as to be easily assimilated.
Widespread use of this remedy in numer-
ous cases of tuberculosis—many of which
appear to have yielded completely to its
action—justifies our belief that it is worth a trial,
unlike some other treatment already in use.
It contains no opiates, narcotics
or habit-forming drugs. We make no prom-
ise concerning it any more than reputable
physicians give promises with their pre-
scriptions, but we know of many cases in
which it has helped.Your druggist has it or can get it, or
you can send direct.
